**Details:**

The Switch 10 E is a Windows 10 tablet that attaches to a keyboard base. With a long-lasting battery and underwhelming hardware, the Acer Aspire Switch 10 E has plenty of lasting power Bought december 2016, nearly used, available with box and original receipt. It's still under guarantee, till 2018.

Original price is (still) THB 12,990  
I am selling it for 6.000 THB or closest offer.
