Category: **Motors & Marine - Cars & Pickups for SALE**

Phone: **082 566 222 1**

Details:

Excellent condition 2013 Toyota Vigo 4 Cab G 3.0 4x4 for sale. It has the following features:

- One careful expat owner from new with blue book
- 54,183 km on the clock (motorway kilometers only, to and from the coast)
- Carryboy Sport Lid with electric motor (lockable was 32,000 THB)
- CD, DVD, Bluetooth/phone audio (factory unit, very good)
- Rear view camera
- Electric windows all round
- Remote central locking
- Electric mirrors
- Power steering and ABS
- Driver and passenger airbags
- Ironman comfort shocks all round with 2.5inch lift (uprated smoother ride over stock, was 30,000 THB)
- Amazingly clean and unworn leather interior (as it was only used on motorway)
- Regularly serviced at Toyota according to recommended factory schedule
- New battery fitted 2 months ago
- Just serviced at Toyota prior to sale

This is a great car. I don't think there is another Vigo around of this age in this condition, with this history. I have looked after it since new as I planned on keeping it. I used this car to go to and from Pranburi on the weekends since I purchased it, I never use it in Bangkok. This means the very limited distance (for the car) was literally cruising on the highway. It was the highest speed that was available at the time minus the factory set
